Assemblers follow established documentation, perform necessary assembly steps, and inspect all parts. Assemblers must read, comprehend and legibly write English to understand and execute detailed work instructions. They must use basic math skills, without the use of a calculator, High School diploma or equivalent is required. Excellent manual dexterity, good hand-eye coordination, and the ability to work under a microscope are required. Previous assembly experience is preferred. Familiarity with lean manufacturing concepts is a plus. The ability and willingness to foster a positive work environment and contribute to the team's success are essential. Please send resume to Accellent, 45 Lexington Drive, Laconia NH 03246 or visit the company website at www.accelent.com. No phone calls please. 10/27
