LICENSED NURSING ASSISTANT

(This course does not apply toward the Nursing degree program.)

A 106-hour program with 40 hours of classroom instruction, 60 hours of group clinical instruction, and 6 hours of lab. The State Board of Nursing regulates attendance. The classroom instruction portion is delivered at the College one day a week during the semester. The lab is held two days during the semester, either at the college or at the Huot Vocational Training Center at the Laconia High School. The group clinical instruction is arranged at a care facility and can entail Saturday and Sunday participation for the evening session. At the conclusion of the program, all students are administered a written and a clinical assessment of skills to certify that they have achieved required competencies. This final evaluation is required by the NH Board of Nursing.
